reminders:

The month of November is celebrated as **Family Engagement Month** in Georgia. This is a time the state chooses to recognize the contributions of parents and to encourage Title I schools to raise awareness of the important roles parents play in a child's education. As a system, we are supporting the state's efforts!

Our school is a Title I school! Title I is the largest federal assistance program for our nation's schools. An important part of our success is **parent participation and support** to improve student achievement. Check with your child's teacher or our Family Liaison, Jennifer Cooley, if you are looking for ways to get more involved this year!
