

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of our students reach grade level standards.

Our Compact will Benefit everyone!

Jointly Developed

The parents, students, and teachers of Clearview Elementary developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact.

Parents are welcome to contribute comments at any time!

If you would like to volunteer, please contact our Family Liaison- Jairo Gay- by calling the school.

Activities to Build Partnerships

Anytime parents visit CVES- from lunches to academic workshops- our partnership is strengthened! Please check the student handbook/calendar for all events. If you would like to volunteer or mentor at the school, please call us!

Communication and Student Learning

CVES is committed to frequent two-way communication with our families about student learning. Here are some ways we communicate:

- Tuesday folders
- Updates on our school website
- Home visits
- Parent Conferences
- Board in the front of the school
- Remind messages
- Phone Calls, emails

Our Goals for Student Achievement

District Goals:

1. Ensure all students achieve at their highest level of academic performance.
2. Provide a safe, secure, and wholesome learning environment.
3. Engage all students, staff, families, businesses, and the community in the educational process.
4. Maximize efficiency and productivity in pursuit of the system's mission.

CVES 2nd Grade Goals:

1. Goal: 80% of 2nd graders will increase their Guided Reading scores by four levels by the end of May 2019.
2. Goal: 80% of 2nd graders will have 27 digits or more correct on the GRASP fluency test by May 2019.

Teachers, Parents, Students- Working Together for Success

In the 2nd Grade Classroom

The 2nd Grade teachers will work with students and their families to support student success in reading and math. Some of our key connections with families will be:

We will give the students 15-20 minutes daily guided/independent reading time in a small group setting.

We will give the students 15-20 minutes of independent reading time on the program Raz Kids.

We give students time to build math fluency.

At Home

CVES parents joined staff to develop ideas about how families can support student success in Reading and Math

We will read to our child every night.

We will give our child an opportunity to read to us every night.

We will use flash cards to increase math fact fluency.

2nd Grade Students

Students joined staff and parents to develop ideas about how they can succeed in school. Students shared the following ideas:

We will read our library books every night.

We will try our best on the Raz Kids program.

We will study our math facts at home.

Teachers, Parents, and Students believe these additional key points will create success for our 2nd Graders this year:

- **Bring our Folders home everyday and make sure a parent signs it. Bring it back to school the next day with any important notes.**
- **Study our sight words every night.**
- **Share learning apps with both home and school to increase learning.**
