

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of our students reach grade level standards.

Our Compact will Benefit everyone!

Jointly Developed

The parents, students, and teachers of Clearview Elementary developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact.

Parents are welcome to contribute comments at any time!

If you would like to volunteer, please contact our Family Liaison- Jairo Gay- by calling the school.

Activities to Build Partnerships

Anytime parents visit CVES- from lunches to academic workshops- our partnership is strengthened! Please check the student handbook/calendar for all events. If you would like to volunteer or mentor at the school, please call us!

Communication and Student Learning

CVES is committed to frequent two-way communication with our families about student learning. Here are some ways we communicate:

- Tuesday folders
- Updates on our school website
- Home visits
- Parent Conferences
- Board in the front of the school
- Remind messages
- Phone Calls, emails

REVISION DATE :

Tuesday, September 11, 2018

School-Parent Compact For Achievement

2018-2019

Kindergarten Focus for Student Success

Clearview Elementary School

Our Goals for Student Achievement

District Goals:

1. Ensure all students achieve at their highest level of academic performance.
2. Provide a safe, secure, and wholesome learning environment.
3. Engage all students, staff, families, businesses, and the community in the educational process.
4. Maximize efficiency and productivity in pursuit of the system's mission.

CVES Kindergarten Goals:

1. Our goal is for **80%** of Kindergarten students to reach a minimum Guided Reading level of C by May of 2019
2. Our goal is for **80%** of Kindergarten students to be able to fluently add and subtract within 5 by May of 2019

Teachers, Parents, Students- Working Together for Success

In the Kindergarten Classroom

The Kindergarten teachers will work with students and their families to support student success in reading and math. Some of our key connections with families will be:

 Send home reading passages and books for student practice based on Guided Reading level.

 Send home math exercises for students to practice foundational number sense and math skills.

 Send home Tuesday Folders, Kindergarten Newsletters and any important notices to keep parents informed.

At Home

CVES parents joined staff to develop ideas about how families can support student success in Reading and Math

 Practice using flashcards and apps.

Practice reading both at home and environmental print in town.

 Use apps and fun manipulatives, like candy or coins, to help students with problem solving and when helping with homework.

 Sign and return student's folders.

Kindergarten Students

Students joined staff and parents to develop ideas about how they can succeed in school. Students shared the following ideas:

 Read a book with your family and friends every day.

 Have family members help us with our homework

 Take our Tuesday Folders and important notes home and return them the next day.

Teachers, Parents, and Students believe these additional key points will create success for our K Graders this year:

- Bring our Folders home everyday and make sure a parent signs it. Bring it back to school the next day with any important notes.

- Study our sight words every night.

- Share learning apps with both home and school to increase learning.
