

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of our students reach grade level standards.

Our Compact will Benefit everyone!

Jointly Developed

The parents, students, and teachers of Berta Weathersbee Elementary developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact.

Parents are welcome to contribute comments at any time!

If you would like to volunteer, please contact our Family Liaison- Crystal Bolden- by calling the school.

Activities to Build Partnerships

Anytime parents visit BWES- from lunches to academic workshops- our partnership is strengthened! Please check the student handbook/calendar for all events. If you would like to volunteer or mentor at the school, please call us!

Communication and Student Learning

BWES is committed to frequent two-way communication with our families about student learning. Here are some ways we communicate:

- Tuesday folders
- Updates on our school website
- Home visits
- Parent Conferences
- Board in the front of the school
- Class Dojo
- Phone Calls, emails

REVISION DATE : 8-23-18

School-Parent Compact For Achievement 2018-2019

2nd Grade Focus for Student Success

Berta Weathersbee Elementary School

Our Goals for Student Achievement

District Goals:

1. Ensure all students achieve at their highest level of academic performance.
2. Provide a safe, secure, and wholesome learning environment.
3. Engage all students, staff, families, businesses, and the community in the educational process.
4. Maximize efficiency and productivity in pursuit of the system's mission.

BWES 2nd Grade Goals:

1. 85% of second grade students will reach a guided reading level of M or higher.
2. 85% of second grade students will master addition and subtraction facts up to 20.

Teachers, Parents, Students- Working Together for Success

In the 2nd Grade Classroom

The 2nd Grade teachers will work with students and their families to support student success in reading and math. Some of our key connections with families will be:

Students will bring home one to two library books to read at least 20 minutes every night.

Communicate on a regular basis with our students' families through newsletters, weekly behavior/ homework check sheet and Class Dojo.

Hold parent math workshops and conferences throughout the year.

At Home

BWES parents joined staff to develop ideas about how families can support student success in Reading and Math

As a parent we will make sure our child reads their library book, ask questions, and read to my child.

As a parent we will check the behavior/ homework sheet, sign up for Class Dojo, and read the weekly newsletter.

Volunteer, and sign up for math work shops and attend conferences throughout the

year.

Soaring Eagle Students

Students joined staff and parents to develop ideas about how they can succeed in school. Students shared the following ideas:

Always try to do my BEST in my school work and in my behavior.

Show respect for myself, my classmates, my teachers, and my school.

Believe that I can learn and will learn.

Teachers, Parents, and Students believe these additional key points will create success for our 2nd Graders this year:

1. Read together 20 minutes or more every night.
2. Demonstrate a POSITIVE ATTITUDE about education to your child.
3. Monitor your child's television, video games, cell phone, and internet usage.
4. Talk to your child.
5. Have your child at school on time. Take attendance seriously.
6. Get INVOLVED.
7. Support PBIS expectations.
