

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of our students reach grade level standards.

Our Compact will Benefit everyone!

Jointly Developed

The parents, students, and teachers of West Point Elementary developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact.

Parents are welcome to contribute comments at any time!

If you would like to volunteer, please contact our Family Liaison- Vickie Montgomery- by calling the school.

Activities to Build Partnerships

Anytime parents visit WPES- from lunches to academic workshops- our partnership is strengthened! Please check the student handbook/calendar for all events. If you would like to volunteer or mentor at the school, please call us!

Teachers will send Sight Words home weekly in the homework folder for practice and will provide strategies on how to practice Sight Words.

At Home

WPES parents joined staff to develop ideas about how families can support student success.

Parents will practice Sight Words for homework 3 nights per week.

Parents will use the flash cards sent home each week to practice with their child.

Parents will check the folder weekly for what list their child is working on.

WPES 1st Grade Students
