

## What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of our students reach grade level standards.

**Our Compact will Benefit everyone!**

### Jointly Developed

The parents, students, and teachers of West Point Elementary developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact.

**Parents are welcome to contribute comments at any time!**

## Teachers, Parents, Students– Working Together for Success

### In the 2nd Grade Classroom

The 2nd Grade teachers will work with students and their families to support student success. Some of our key connections with families will be:

Students will have reading comprehension homework practice 2 nights per week. Parents will be provided comprehension strategies to use when reading with their child.

Students will have math homework practice 2 nights per week. Current math skills and strategies provided in weekly newsletters.

### At Home

WPES parents joined staff to develop ideas about how families can support student success.

Parents will listen to their child read the reading passages that are sent home weekly, as well as library books.

Parents will make sure their child has correctly completed the math practice sheets each week.

### WPES 2nd Grade Students

Students joined staff and parents to develop ideas about how they can succeed in school. Students shared the following ideas:

Students will try their best and complete the reading passages sent home in folders each week.
