

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of our students reach grade level standards.

Our Compact will Benefit everyone!

Jointly Developed

The parents, students, and teachers of Hillcrest Elementary developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact.

Parents are welcome to contribute comments at any time!

If you would like to volunteer, please contact our Family Liaison, Hanna Lane, by calling the school.

Activities to Build Partnerships

Anytime parents visit HCES– from lunches to academic workshops– our partnership is strengthened! Please check the student handbook/calendar for all events. If you would like to volunteer or mentor at the school, please call us!

Communication and Student Learning

HCES is committed to frequent two-way communication with our families about student learning. Here are some ways we communicate:

- Tuesday folders
- Updates on our school website
- Home visits
- Parent Conferences
- Bloomz
- Remind messages
- Phone Calls, emails

REVISION DATE : 08/21/2020

School-Parent Compact For Achievement

2020-2021

1st Grade Focus for Student Success

Our Goals for Student Achievement

District Goals:

1. Ensure all students achieve at their highest level of academic performance.
2. Provide a safe, secure, and wholesome learning environment.
3. Engage all students, staff, families, businesses, and the community in the educational process.
4. Maximize efficiency and productivity in pursuit of the system's mission.

HCES 1st Grade Goals:

90% of our 1st grade students will increase to a Guided Reading Level I by the end of the 2020-2021 school year.

90% of our 1st grade students will be able to create a math story problem using numbers 1-10.

Teachers, Parents, Students- Working Together for Success

In the 1st Grade Classroom

The 1st Grade teachers will work with students and their families to support student success in reading and math. Some of our key connections with families will be:

Provide leveled text, based on Guided Reading levels, to practice reading for comprehension.

Provide reading and math websites that support phonics and math fact fluency.

At Home

HCES parents joined staff to develop ideas about how families can support student success in Reading and Math

Read daily with my child for 20 minutes .

Encourage and monitor student practice of phonics and math skills on Websites.

1st Grade Students

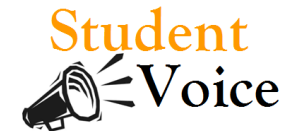

Students joined staff and parents to develop ideas about how they can succeed in school. Students shared the following ideas:

Students will ask someone to read with them 20 minutes each night on their guided reading level.

Students will practice phonics and math skills on the websites.

Teachers, Parents, and Students believe these additional key points will create success for our 1st Graders this year:

- ◆ Limit tv/device time
- ◆ Complete homework at a consistent place.
- ◆ Eat a healthy breakfast.
- ◆ Go to bed on time
