

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of our students reach grade level standards.

Our Compact will Benefit everyone!

Jointly Developed

The parents, students, and teachers of Hillcrest Elementary developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact.

Parents are welcome to contribute comments at any time!

If you would like to volunteer, please contact our Family Liaison, Hanna Lane, by calling the school.

Activities to Build Partnerships

Anytime parents visit HCES- from lunches to academic workshops- our partnership is strengthened! Please check the student handbook/calendar for all events. If you would like to volunteer or mentor at the school, please call us!

Communication and Student Learning

HCES is committed to frequent two-way communication with our families about student learning. Here are some ways we communicate:

- Tuesday folders
- Updates on our school website
- Home visits
- Parent Conferences
- Bloomz
- Remind messages
- Phone Calls, emails

REVISION DATE : 8/21/2020

School-Parent Compact For Achievement

2020-2021

Kindergarten Focus for Student Success

Our Goals for Student Achievement

District Goals:

1. Ensure all students achieve at their highest level of academic performance.
2. Provide a safe, secure, and wholesome learning environment.
3. Engage all students, staff, families, businesses, and the community in the educational process.
4. Maximize efficiency and productivity in pursuit of the system's mission.

HCES Kindergarten Goals:

90 % of Kindergarten students will reach a minimum Guided Reading level of E by the end of the 2020-2021 school year.

90% of students will add and subtract to 10 by the end of the 2020-2021 school year.

Teachers, Parents, Students- Working Together for Success

In the Kindergarten Classroom

The Kindergarten teachers will work with students and their families to support student success in reading and math. Some of our key connections with families will be:

Teachers will send home weekly phonics activities for parents to practice with their children at home.

Teachers will send home regular Math practice to build fluency.

At Home

HCES parents joined staff to develop ideas about how families can support student success in Reading and Math

Parents will help and encourage students as they practice their phonics skills.

Parents will help students practice math facts to build math fluency.

Kindergarten Grade Students

Students joined staff and parents to develop ideas about how they can succeed in school. Students shared the following ideas:

Students will practice phonics skills weekly at home.

Students will practice their math facts to build math fluency.

Teachers, Parents, and Students believe these additional key points will create success for our Kindergarten-ers this year:

- * Newsletters
- * Parent, Teacher, Student Conferences
- * Homework help guides
- * Open communication
