

# Fourth Grade News

September 21st

## Reading:

We are continuing our dive into non-fiction. This week's focus includes the 5 text structures, & discovering how we read a non-fiction text differently from a fiction one. The 5 text structures are: Description, Cause/Effect, Problem/Solution, Compare/Contrast, and Sequence. See what your child can tell you about each!

**VOCAB QUIZ:** Quiz on 9/24

**TEST:** Text Structure test on Monday

## Math:

As we continue to review standards previously covered, students will be finding factors and multiples of numbers. Please continue to review multiplication facts!!! One minute drill tests daily.

**QUIZ:** Spiral Review quiz **every** Friday. You may review (NOT work ahead) on weekly Morning Work on CANVAS to practice these review skills.

**TEST:** Comparison Test Mon., Sept.20

## Dates To Remember

October 1: Picture Retakes

October 11-12: Student Holiday

## Important Reminders

**Chromebooks:** Please make sure Chromebooks are charged nightly.

**Masks:** Please continue to encourage your child to wear their mask properly. We are working hard to minimize quarantines and keep students IN school.

**Water/Snacks:** Students should ONLY bring in WATER in their water bottles. We will have snack time in the mornings. Students can bring in a snack, but please no candy or messy snacks.

**Ice Cream:** Ice Cream will be sold Fridays.

## Transportation

**Remember you must contact the office or send a written note about any transportation changes. No texts, Bloomz messages or emails can be accepted.**
